Thursday, July 24, 2008

Times: 12:30 to 5:00

\$29 per person

At the turn of the 20th century, Duluth was home to more millionaires per capita than any other city in the United States. Many young Finnish women worked as domestics for these families after their immigration to northern Minnesota. Get a flavor for their lives as you tour one of Duluth's most famous landmarks, Glensheen, the Historic Congdon Estate, located on the shores of Lake Superior. Following the tour, sit back and enjoy a narrated ride through Duluth's Historic East End Mansion District.
