

SAINT CROIX AVENUE WALKING TOUR

Thursday, July 24, 2008

Times: 9:00 to 11:45

\$5 per person

Saint Croix Avenue was the heart of Duluth's Finnish American community at the turn of the 20th century. Your costumed guide will help you visualize the life of a Finnish immigrant in 1910 as you stroll back in time through historic Canal Park. Plan to spend some time in the Lake Superior Maritime Visitors Center and Marine Museum after your tour to learn about shipping on the Great Lakes.
